

Have You Considered Serving as a

# Church School Governor?

"As a church school governor  
you are involved in a life changing ministry  
with eternal consequences"

**Mike Simmonds**

## A Life Changing Ministry

Supporting and caring for young people is central to Jesus's teachings and central to our Christian ministry today. As a governor in a Church school you will be supporting the Church of England's vision for education, which is committed to an education that enables young people to **live life in all its fullness**. John 10:10.

It is a vision of human flourishing, in which church governors through their strategic role and ministry are key to enriching and improving the lives of young people.

"Our young people are bursting with questions, life and potential. They are also struggling to grow up in a complex and sometimes fractured world. They need to be welcomed into the church of today and tomorrow, and to be introduced personally to Jesus Christ. To tweak a well-known saying, it takes a parish to raise a child."

Nigel Frith, Diocesan Director of Education
