

Class R Newsletter Autumn Term 2 - Autumn and Celebrations

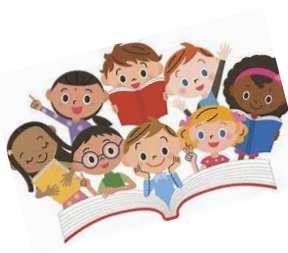

Welcome back!

I hope you have all had a wonderful half term filled with lots of happy memories. This term is already looking very busy with lots of exciting things planned for the children in class and throughout school.

PE

Our PE days will now be on a Monday and Friday. Please ensure to send children into school in their PE kits for these days.

Reading at Home

Please ensure that your child's books are sent into school each day as it is likely they will read with an adult in school. When you have read with your child, please log this in their reading diary with any additional comments you may wish to add. Our whole school reading challenge continues, with some children well on their way to achieving 100 reads. It is essential that you send reading books into school every day. Unfortunately, we currently do not have enough copies of each of the next set of books to be able to read them before sending home with the next group of children. Thank you for your understanding with this.

Phonics High Frequency Words

Our assessments will be taking place over the coming weeks. Please spend some time to support your children in recognising their GPC (individual sound) flashcards along with practising the high frequency words on the bigger cards to ensure your child is confident with these.

Trips

Our trip to the local woods takes place this Wednesday 5th November. Children will need to come to school in their PE kit, along with wearing appropriate footwear - wellies in a named carrier bag are required. You are welcome to send in with waterproof trousers should you have them and wish to send them, however these are not essential so please do not panic if you don't have any. On 1st December we will be travelling to Perlethorpe. We currently do not need any volunteers for this trip but will post nearer the time in the event of requiring additional adults.

Any questions please do not hesitate to contact me via Viva Engage (Yammer) or via classr@woodsfoundation.notts.sch.uk

Best Wishes

Mrs Matambo

Dates for your diary
